

2017 Dodge Ram SLT 4x4 5.7L Hemi.

TRUCK NEEDS NOTHING AND HAS JUST HAD
AN OIL CHANGE AND EVERYTHING ELSE CHECKED
ONE TPS FOR FRONT TIRE NEEDS REPLACING.

TRUCK WAS DRIVEN FROM CALGARY TO FORT
MCMURRAY ONCE A WEEK SO ALL 226,000 KM
ARE HIGHWAY, NEW FRONT BRAKES ABOUT
1 1/2 YEARS AGO.

AM/FM SIRIUS RADIO, A/C IS IN GOOD WORKING
CONDITION.

THREE WORKING FOBs INCLUDED

RUBBER IS GOOD AND SPARE IS NEW

4x4 WORKS WITH NO PROBLEMS

5.7 LITRE HEMI USES OCTANE 94 GASOLINE
BECAUSE IT IS A HIGH COMPRESSION MOTOR
LOTS OF POWER. HIGH OCTANE ELIMINATES THE
TICK IN THE HEMI AND GIVES GOOD MILEAGE
WITH THE ECO SYSTEM. REASON FOR
SELLING IS I BOUGHT A ONE TON DODGE
DIESEL TO PUT MY CAMPER ON SO TRUCK IS
NO LONGER USED.
