Performed field measure 2022060006. Engine light on and vehicle has a lack of power at time of inspection. Connected battery charger and performed quick test. Performed pre inspection under special procedures. Faults 126A00 Component M55 (Intake port shutoff actuator motor) is faulty, 10C700 Component 'B96/2 (Right intake port shutoff end position sensor)' has an internal fault, and 10C800 Component 'B96/1 (Left intake port shutoff end position sensor)' has an internal fault found stored. Intake manifolds and intake port motor replaced during field measure. Continued with field measure. Extra time required for removal of seized exhaust clamps and pressed differential pipes. Removed and replaced SCR cat, particulate filter, NOX sensors, adblue dosing valve. Drained cooling system. Removed and replaced intake manifolds, fuel lines, charge air manifold, and EGR valve. Filled cooling system and bled system of air. Connected battery charger and performed quick test. Performed service measure exhaust aftertreatment system' under special procedures. During procedure, replaced CDI control unit. Performed all software update, SCN codings and teach ins. All successful. Cleared fault memory. Current fault for intake port shut off motor open circuit. Checked for power and ground.

EXCLUSION OF WARRANTIES

Any warranties on the parts and accessories sold hereby are made by the manufacturer. The above purchaser understands and agrees that dealer makes no warranties of any kind, express or limited, and disclaims all warranties, including warranties of merchantability or fitness for a particular purpose, with regard to the parts and/or accessories purchased; and that in no event shall dealer be liable for incidental or consequential damages or commercial losses arising out of such purchase. The undersigned purchaser further agrees that the warranties excluded by dealer, include, but are not limited to any warranties that such parts and/or accessories are of merchantable quality or that they will enable any vehicle or any of its systems to perform with reasonable safety, efficiency or comfort.

I hereby authorize MB Edmonton West Ltd. to collect, use and disclose the personal information in this document in accordance with and for the purposes identified in MB Edmonton West Ltd. Privacy Policy, which purposes I acknowledge have been communicated to me.
