Jardine Auctioneers and North Toronto Auctions become part of the Euro Auctions group to join forces with Michener Allen Auctioneering

9 May 2025 – Dromore, Northern Ireland, UK

Euro Auctions, one of the world's leading auction houses specialising in heavy machinery, commercial vehicles, agricultural machinery, and industrial equipment, is delighted to announce the acquisition of North Toronto Auction (NTA) of Innisfil, Ontario, following the recent acquisition of Jardine Auctioneers Inc. of Fredericton, New Brunswick, in March this year. These two prominent Canadian auction companies joining the Euro Auctions Group, strategically cements Euro Auctions' presence in Canada, underscoring the Group's commitment to delivering national coverage and enhanced customer service across the region. Jardine Auctioneers Inc and North Toronto Auction, join Michener Allen, the third Canadian auction house in the group, now making five permanent auction sites now operational in Canada.

Derek Keys, Founder and Managing Director of Euro Auctions Group, comments:

“As family-run businesses, we see a strong alignment in the ethos, values, and customer commitment of both Jardine Auctioneers and North Toronto Auction, which mirror our own. The addition of these respected businesses, alongside Michener Allen, who we acquired in 2023, further develops our coast-to-coast presence in Canada, allowing us to deliver unmatched service and reach nationwide. We're excited to welcome both Jardine and North Toronto teams into our auction community and look forward to building on their success to provide even greater value to customers both nationally and internationally.”
