

# L90C

## 1997 Triple E Commander 2801

VIN : 3FCMF53GOVJA10118

s/n : 2TP2913HXVW012180

Milage: 63,075 kms

4.0 kw Onan generator with 138 hours

Canadian built, well insulated class A motorhome.

Owned by current owner since 1999

All roof vents and skylights replaced in 2020

Unit runs well on hi-way and has had very little use for the last several years.

All appliances were in working conditions when last used, may require servicing.

Has some minor maintenance requirements;

- Fuel gauge, heater controls and passenger side mirror need repairs

- Engine and onan due for oil change and servicing - time based

- Passenger windshield has cracks

- Front tires need replacement soon (Spare put on front due to cracks one front tire-now used as spare)

Drove from Fairmont Hot Springs to Calgary May '22, ran well.

Selling because owner has purchased a cabin at Fairmont and no longer uses.
